**ENROLL  
TODAY!**

Founded in 2018, the Cambridge School of Colombo is committed to empowering Sri Lankan students with world-class English language skills.

We specialise in Cambridge English Language learning, offering expertly designed courses that build fluency, confidence, and academic excellence. Our programmes prepare students for internationally recognised Cambridge English examinations, opening doors to global education and career opportunities.

With experienced educators, a supportive environment, and a strong focus on individual success, we help each child reach their full potential. Give your child a head start—choose the Cambridge School of Colombo for a strong foundation in English and a brighter future.

## *Enriching English Education for a Brighter Tomorrow*

### **PRE A1 STARTERS (10 MONTHS)**

The first step in your child's English journey. Pre A1 Starters introduces young learners to the basics of English through fun, engaging, and confidence-building activities.

### **A1 MOVERS (10 MONTHS)**

The second level in the Cambridge English pathway, A1 Movers helps children grow their vocabulary and communication skills through playful, interactive learning.

### **A2 FLYERS (12 MONTHS)**

The final stage in the Young Learners series, A2 Flyers prepares students for more advanced English. It builds strong language foundations while boosting confidence and motivation for future learning.

## **A SEAMLESS LANGUAGE LEARNING JOURNEY**

We offer a smooth progression from Pre A1 Starters to A2 Flyers, guiding your child through every stage of their English language development. Each learning activity is thoughtfully crafted to reinforce previously acquired skills while building a strong foundation for continued success.
